Personal Profile

We’re not looking for a whole College of people who are exactly alike, so we really want to know about you, and what you will bring to the community of Grace College. Don’t try to tell us what you think we want you to say because that’s exactly what we don’t want; and it’s often easy to pick when someone is doing that. If you’re willing to share something of yourself with others, others are more likely to be willing to share something of themselves with you. Thanks for your openness, your honesty and your courage!
